

These Terms and Conditions should be read along with the Rights and Obligations as prescribed by SEBI. Nothing contained herein shall be construed as derogatory to the above Rights and Obligations. By availing of the Systematic Investment Plan (SIP) facility through YES Securities (India) Limited, the Client acknowledges having read, understood and accepted these Terms and Conditions.

YES Securities (India) Limited has the right to modify/alter, change or vary all or any of the terms and conditions or to replace the same by another term, partly or wholly or to withdraw it entirely with intimation.

1. YES Securities (India) Limited registered broking clients can only avail this Facility.
2. Facility shall mean EQUITY SIP offered by YES Securities (India) Limited on its trading platform whereby the client authorizes YES Securities (India) Limited to place buy transactions in specific securities in predetermined quantities or amounts at periodic intervals over a fixed period of time subject to the minimum amount specified by YES Securities (India) Limited.
3. In Quantity EQUITY SIP, the quantity of securities has to be specified by the client upfront, to buy at the time of each order placement cycle. At the time of order placement, order value is calculated based on the prevailing market. The order value therefore will change with each order placement cycle depending on the prevailing market price of the security at the time of EQUITY SIP order execution.
4. In Amount EQUITY SIP, the SIP amount is required to be specified by the client upfront to buy at the time of each order placement cycle. In this option, the quantity of securities is arrived at by dividing the EQUITY SIP amount with the prevailing Market price. Fractional no. of units/shares would be ignored. Order would be placed for remaining quantity. The quantity will be rounded off to the lowest. If the SIP amount is less than the market price of 1 share of specified stock, then the SIP order would not be sent to the exchange on that day. The choice of time for placement of EQUITY SIP order on the Exchange platform on each frequency day shall be at the discretion of YES Securities (India) Limited.
5. The Minimum SIP value for Equity SIP shall be decided by YES Securities (India) Limited. If the Equity SIP order is placed for an amount less than decided minimum amount, then the same will be rejected.
6. YES Securities (India) Limited will place orders on the basis of the requests received, for the specified quantity / amount in the specified securities at the specified frequency and for the specified period subject to availability of required funds in the client account at the time of order placement, to fulfill the obligations arising out of such order.
7. The EQUITY SIP request can be placed only for one security at one time. If the client desires to place EQUITY SIP requests for multiple securities, the client will be required to place separate SIP request for each such security. There shall be Upper Cap for quantity based & Amount based SIP order.
9. YES Securities (India) Limited shall have the absolute discretion to decide on the list of securities to be made eligible for purchase under the Facility. Further, the maximum frequency allowed and the period for each EQUITY SIP request in each security under this facility shall be decided by YES Securities (India) Limited at its sole discretion.

10. YES Securities (India) Limited shall also at its sole discretion decide to add or disable or withdraw a particular security to/from the eligible list with intimation to the clients and without assigning any reasons thereof.

11. Equity SIP request can be placed for a period equal to or greater than the minimum period. Minimum period for placing EQUITY SIP request shall be of 3 months.

12. Equity SIP request order shall be placed for a period equal to or lesser than the maximum period. Maximum period for placing Equity SIP request shall be 60 months. However YES Securities (India) Limited at its sole discretion decide to change frequency, minimum/maximum tenure of EQUITY SIP validity with intimation to the clients and without assigning any reasons thereof.

13. Exchanges market orders will be placed at the time of placement of orders under the Facility and the orders will be executed at the available prices as per the order matching rules of the Exchanges.

14. The Client agrees that no orders would be placed for execution by YES Securities (India) Limited on trading holidays. The orders would be placed only on trading days. If a frequency date falls on a Trading holiday, then the orders would be placed on the next trading day, by YES Securities (India) Limited. In case of daily frequency, orders would not be placed on the Trading Holiday. If the frequency dates falls on a Bank Holiday but which is not a trading holiday, then the order will be placed by YES Securities (India) Limited subject to available of clear cash/funds in client's Trading Account.

15. The Client agrees to select a start date while placing an EQUITY SIP request. The Order under the facility will be placed from the start date selected by the client. Thereafter, the orders would be placed on the basis of the frequency for the period chosen by the client. Further, the Client agrees that EQUITY SIP request created with the start date will be the first trigger date and orders would be triggered on trading days only.

16. Client would be able to cancel the existing active EQUITY SIP request. Once the SIP Request is cancelled, all future orders against such EQUITY SIP Request would be cancelled. However, once YES Securities (India) Limited has generated orders based on set date & frequency then order(s) for that trading day which cannot be cancelled or modified by the client.

17. If the client's trading account is deactivated due to any reason OR closed, then the Equity SIP orders will also get automatically stopped during the period of such deactivation.

18. The brokerage rates and the applicable charges for the EQUITY SIP transactions would be as per the applicable rates for CNC product.

19. The Rules & Regulations as prescribed by the exchange will be applicable to client trades.

20. YES Securities (India) Limited is only acting as the agent for the purpose of placing orders on the basis of the instructions received. The execution of trades happens on the exchange platform and depending upon the order matching mechanism of the exchange.
