## 1. How do I activate Margin Trading Facility?

It's very simple, available online.

### Just follow anyone of the below steps:

1. **Email:** Mail to [customer.service@ysil.in](mailto:customer.service@ysil.in) from your registered email address following below guidelines
  - Subject Line: Activate Margin Trading <Account Code>.
  - (EG: Activate Margin Trading 1234567)
2. **Contact your Equity Dealer:** You need to provide your consent over email initiated by your dealer to start the MTF activation process.
3. **Physical Activation Request:** Customer can sign enrolment form and give the physical acceptance letter of T&C and send to YES Securities (India) Ltd for MTF activation.

## 2. How long will it take to activate Margin Trading Facility after giving request/consent to enable it?

If you have given your consent by any of the above modes before 3PM (working day), your request will be processed at the end of day and you will be able to use Margin Trading Facility from next working day. Requests received after 3PM (Working day) will be processed on the next working day and you will be able to use the Margin Trading facility on T+2 day onwards.

## 3. What is the benefit of Margin Trading Facility?

- You can carry equity cash delivery position by maintaining margin only. The margin can be in the form of stocks or cash.
- Up to 4x leverage
- Longer holding period

Eg: As YES Securities India Limited provides funding for the shares bought by you; you need to pay only part of total value of shares bought. E.g. If you buy Infosys shares worth Rs.1, 00,000/-, you are required to pay 25%\* i.e.Rs.25000/- and balance Rs.75000/- will be funded by YSL on behalf of you at the time of pay-in. This 25% can also be in the form of stocks collateral.

\* % of the Margin may vary from time to time.

## 4. Do I need to open two Demat accounts to avail Margin Trading Facility?

No.

- 5. What if the value of stocks under collateral for margin trading appreciates due to market movement?**  
Your margin from collateral stock will get increased and you can use the same to create further positions under Margin Trading Facility.
- 6. What if my stocks bought under Margin Trading Facility get appreciated? Will I get additional margin on it?**  
No! You will not get any benefit in the form of margin for any appreciation of stocks bought under margin trading.
- 7. What if I receive dividend on collateral stocks?**  
Dividend will be credited to your linked bank account.
- 8. What will be the interest calculation?**  
Interest will be charged on daily compounded MTF debit ledger balance irrespective of Client having credit balance in his/her normal ledger. This credit balance can be utilized by Client in any other segment i.e. CNC, Intraday, FNO, CDS, COM, etc, where Client is not seeking funding.
- 9. For whom is Margin Trading Facility available?**  
To all categories of client who are Resident Indian. (NRI/GIB clients are not allowed to participate in MTF as per regulatory guidelines)
- 10. What is the rate of interest being charged for using Margin Trading Facility?**  
Applicable interest rate may be charged up to 24% per annum (plus taxes). GST will be levied on interest for Margin Trading Facility, if applicable as per prevalent regulatory norms.
- 11. What are the margin requirements, while trading under Margin Trading Facility?**  
MTF is applicable only for equity segment only for eligible stocks and margin requirements varies from stock to stock.
- 12. What will happen if I do not maintain sufficient margin?**  
You will not be allowed to buy any securities under Margin Trading Facility. Also, your position will be squared off to the extent of the shortfall if the shortfall continues beyond four days
- 13. What will happen if a client does not maintain minimum required margin for Margin Trading Facility?**  
In case margin falls below the minimum required margin, YSL will make a Margin Call and the position can be liquidated.

**14. What if I am not able to meet the Margin Call?**

YSL will go ahead and liquidate the securities if you fail to meet the margin call made or if you fail to transfer funds. Margin call/ liquidation can be made at any point of time when margins are not in place.

**15. How can I check my Margin trading positions?**

- Margin Trading positions taken today or before can be seen under Positions for Equity.
- Margin trading positions taken before today are a part of your holdings available under holdings page.
- For specific Margin Trading reports, please visit our reports section on [www.yesinvest.in](http://www.yesinvest.in) (Coming Soon)
