First Account Holder	Second Account Holder	Third Account Holder

Notes:

- *e-Delivery Instruction Slip facility is an integration between the brokers and NSDL Demat Gateway which facilitates* Clients to provide mandate/consent to debit and transfer securities from their demat accounts towards the obligation at exchange(s) arising out of trades. Using this facility, demat account holders can fulfil their pay-in obligations without having the need to submit Power of Attorney to their stock broker.

- *Under this facility, based on the mandate submitted by the Client, Clearing Members submits the instruction to the* Depository Participant of the Client to debit the securities from the demat account of the Clients to the extent of obligation at exchange(s) arising out of trades. NSDL validates the details of debit instruction with obligation details uploaded by CCs. Upon debit of securities from the Client account, as a risk mitigation mechanism, NSDL sends SMS to concerned clients at the mobile number registered in their demat account.
